Blackbirds Class Review of the Week
8th - 12th July 2019

Day	**Topic – Rivers and oceans**
Monday	We all enjoyed our fabulous seaside wow day! We made our own ice cream sundaes, took our nets to the rock pool to discover what lives there, and created beautiful pictures with sand and watery paint.
Tuesday	This morning we were visited by two new children who will be joining Blackbirds in September. In English we did interactive story telling. For our Maths lesson we exchanged money for sweets in the Blackbirds sweet shop. After lunch in Topic, we made split pin sea creatures.
Wednesday	Today we were blessed with good weather on our trip to Dovedale. We had a fantastic time experiencing the river, and worked so hard we earned a refreshing treat at the end of the day.
Thursday	In English we role- played parts of our story, after walking the mile in the sensory garden. We also looked at the photos from yesterday, and in small groups wrote captions for them.
Friday	This morning we thought about our worries and created a class worry box. Afterwards we had some time to finish off some activates from earlier in the week. In the afternoon we all enjoyed choice time.
Information for next week	Just a reminder, can you please ensure that all your child's personal belongings are clearly named. We will not be swimming in the last week of term. We look forward to seeing you on Wednesday for Sports Morning. **Thank you for your continued support.** Claire, Caroline, Michelle, Marie, Julie and Emma
