Hedgehog Blog W/B 4.11.19

This morning we explored the story of Guy Fawkes. We thought about why we celebrate Bonfire Night and made posters all about Firework safety. Our letter of the week is 's' and we have completed lot's of 's' activities. Dare we say we have started our Christmas Performance rehearsals this week! We thought about people who help us particularly Firefighters. We have made wonderful firework paintings. In maths we are looking at Tall and Short.

We have done lots of work on our individual targets linked to our EHCPs, number, fine motor, phonics, communication and shape, space and measure each day this week. We work on our own target for each area.

Homework – Please all practise your current reading books and any personalised activities.

If you have any questions please don't hesitate to contact me or one of the members of staff working in your child's room, or write me a note in their diary, or simply just give us a call! We are also available to have a chat with you at the end of the day when you collect your child if needed.

Classroom snacks – we are providing the children with a range of snacks in the morning and the afternoon .

Kind regards

Louise Webster (Hedgehog Team Lead)
