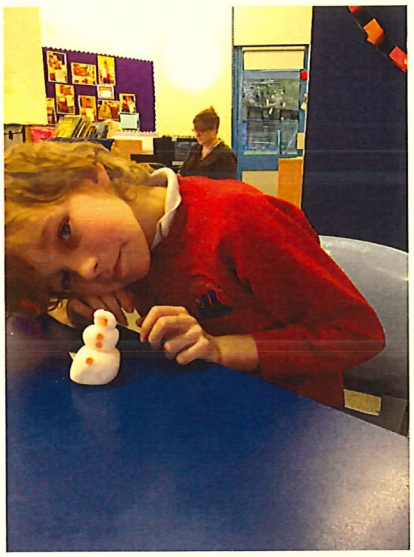
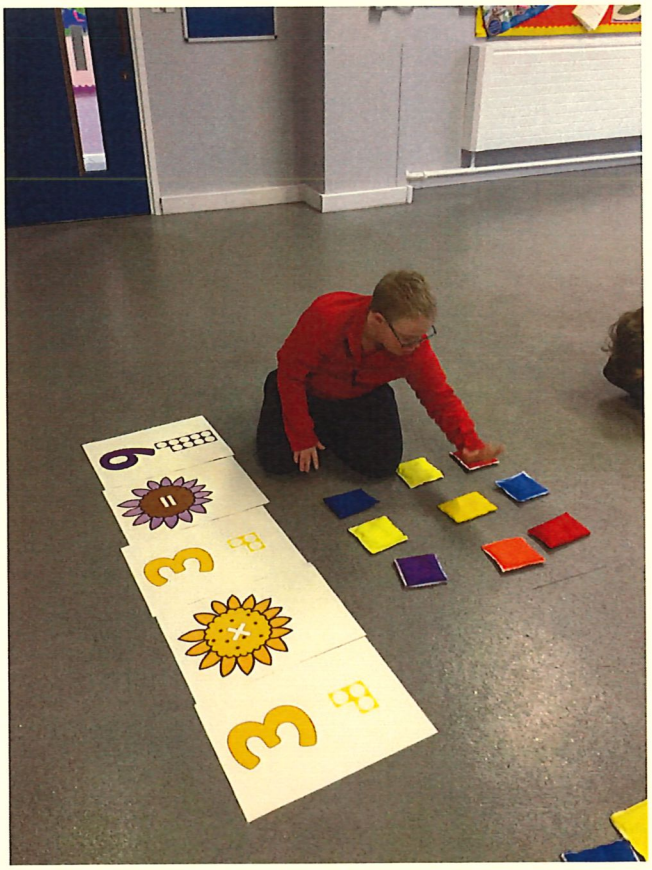
Blackbirds Class Weekly Blog

7th – 11th December 2020




Day	What we have done today
	Every day we have a phonics lesson and talk about Covid-19 and how to stay safe.
Mon	In English this morning we started developing our own guess who game to improve our listening skills. We also focused on handwriting and fine motor skills. In the afternoon we made Christmas cards from our winter clothing sewing.
Tue	This morning we continued our topic on multiplication and addition. We used beanbags to make arrays. In P.E we continued to practice our Africa dance. It's looking fantastic!
Weds	Today in English we sequenced scenes from the Christmas story and questioned each other in character. In the afternoon we created snowmen and other festive creatures from royal icing.
Thurs	We continued with our Maths targets in the morning. After lunch we made Christmas spiced biscuits. We weighed out the ingredients, mixed it all together and used cutters.
Fri	Today we sang Christmas songs and made a video. We really enjoyed decorating our Christmas biscuits. Everybody who has earned it has had a fantastic choice time this afternoon based around Christmas decorations. Stay safe and look after each other. Thank you for your continued support, Claire, Michelle, Cathy and Caroline. Manor Hall Academy Trust
