Rabbits Blog - W/B 16.3.20

Here are some key things we have done this week.
We have continued our sensory story this week around the Tiny Seed. We have come together as a group and begun to show an interest in the sensory elements to the story.

Monday 16th	We have practised our counting skills using seeds and Numicon. We have been transferring seeds from one to another. We made our Mother's Day cards.
Tuesday 17th	We have completed our Mothers' Day cards. We have done some different types of walking and listening to instructions in P.E.
Wednesday 18th	We have made a paper plate bird.
Thursday 19th	We have continued our counting work and we have painted the sun - from our sensory story.
Friday 20th	We have shared stories, played games and had rhyme time.

Please refer to home learning packs for work ideas at home.

Kind regards
Anna Latos (Rabbits and Hedgehogs Class Teacher)
