

' Over the past two years we have all had to live with the awful pandemic called Covid. The pandemic has caused enormous problems in continuing the education of the young people, your children, grandchildren and friends who attend The Meadows and Springfield Schools. The dedication and commitment of all staff whether teaching or ancillary, has been exemplary and as Chairman of the Governors I wish to record my gratitude to them. Parents have worked tirelessly with the school staff in home tutoring, and in ensuring that the children continue to receive an education throughout these trying times, for that we Governors are incredibly impressed and grateful. Hopefully 2022 will allow us all to return to some form of normal life, and on behalf of myself and the Governors I wish you all a very happy and safe Christmas and we look forward to seeing you all in January'
