## Keeping healthy around COVID-19: We do this in school 1.15-1.30pm

Everyday this week try and find some time to share how you are feeling with your family. Can you identify at least one good feeling for today and one bad feeling?

## MOORLANDS PDIP BULLETIN

ISSUE 1

15<sup>th</sup> January 2021

Happy New Year and welcome to the new Moorland's PDIP Bulletin which we are hoping will offer an up-to-date menu for schools; informing you of services, resources and useful links available in the Moorlands to yourselves and parents/carers.

### SERVICES COMMISSIONED FOR PDIP

#### SEND and INCLUSION HUB

**RISE** – 25 pupils are currently engaged on this initiative run by Stoke City Community Education

#### DIG DEEP

CAMHS Trailblazer 16 Schools involved

#### SAPLINGS PROJECT

Boxall Profiles – Shane Knott

#### SERVICE DROP IN SESSION AFTER EACH PDIP MEETING – you can chat to:

Reggie Hodge – Effective Practice Manager  
Claire Butters – District Inclusion

### \*HELP DESK for all inclusion referrals\*

Mindful of the frequency of PDIP Meetings, we will be trialling a new concept - Moorlands Pre PDIP Help Desk will be available for all Inclusion Referrals

Shane and Reggie will offer initial advice and/or support either by phone or via Teams. The Help Desk will be available weekly on a Tuesday 9am to 11am. The purpose will be to discuss children and young people with submitted referral forms. The rationale of the Help Desk is to facilitate early engagement with the schools to offer potential solutions, a restorative practice or a focused whole family approach prior to the PDIP Meeting.

information about the time or place the book was written or sometimes information about the author or illustrator.

**Inside back cover:** these notes suggest puzzles and challenges that help children think about their reading. These include 'Find it!' activities that encourage children to revisit the text; 'Share it!' tasks that may involve making or writing something; and other tasks that offer ideas for further reading.

**Using the online reading world**

If you have access to an internet connection, your child can enjoy reading **Bug Club** books online as well as in print. Each child has a unique homepage, and can log into it by following these steps:

## Hello Blackbirds class! Today will be another busy day.

For both morning sessions after reading we will be working on our Individual Education Programmes - IEP's -so most of you will be doing something different.

I have sent your parents or family members a copy of your last IEP so see what you can work on from there.

If appropriate I will set work on Discovery to meet your IEP.

## Choice time

This afternoon after phonics if you have worked well you have earned choice time!

We are going choose to build with lego, do some mindfulness colouring, play board games or do some modelling with clay or playdough.

What will you choose to do with the items you have at home?

We are also going to taste some fresh foods which can be grown in South Africa.

## Website:

Don't forget, there are a wealth of learning websites and ideas on our website too.
