Wellbeing: We do this in school when we need to, to help us to 'chill out' and focus. We try to do this every day

1. Lie on the floor and squeeze the muscles in each part of your body and then let them go on an outward breath. Then check over your body to see if any muscles are still tight.
- 2 Listen to your favourite music and sing and dance!
3. Try some yoga - see if you can improve your balance, flexibility and strength.

Keeping healthy around COVID-19: We do this in school 1.15-1.30pm

This week we are going to talk about what happens if we need to have a Covid test and what will happen.
