

Hedgehogs Homework

Autumn Term

DWALTERS27 NOV 03, 2021 08:37AM

Homework Padlet

This is a padlet of ideas for activities that you can complete at home over the Autumn term. You can do these activities in any order, in addition to sharing a reading book at home.

Please email in photos of the activities you do together!

Topic: People Who Help Us

Our topic this term is 'People Who Help Us'. We will be exploring sensory stories such as 'Peace at Last' and 'Cops and Robbers', as well as learning about different jobs.

We will also be exploring seasonal changes and everyday materials for Science, and Diwali and The Nativity Story for RE.

Go on an Autumn Walk!

Put on your waterproofs and wellies and go jump in the muddy puddles during an Autumn walk! Collect leaves and sticks and explore their textures. Dip the leaves into paint and print them to see the different shapes and patterns.

Maths activity: Can you make a repeating pattern with the leaves you have collected?

Dingle Dangle Scarecrow

Can you create your own actions to 'Dingle Dangle Scarecrow'? Practise copying simple actions such as clapping your hands and stamping your feet to the beat.

Dingle Dangle Scarecrow (Songs for Kids)

by The Berry Patch - Kids Songs and Nursery Rhymes

Become a baker and bake a cake!

Join in with baking with an adult. Practise your mixing measuring skills to make your favourite treat! Use your senses to touch, smell, and taste the ingredients as you combine them.

Magic medicine!

Florence Nightingale helped people to feel better. Now, it's your turn! Make a magic medicine - you could use water, food colouring, paint, glitter, and anything else you want to add! Practise pouring and mixing your ingredients together!

Become a Scientist!

Try an experiment to see what happens... drop a mento into a bottle of coke and watch it fizz! Remember to stand back! What other experiments can you try at home?

Become a builder!

Become a builder and build your own town! Practise stacking blocks and knocking them down again.

Maths activity: Count your blocks. Take one away or add one more. Sort your blocks by shape or colour.

Superheros Unite!

Dress up as your favourite Superhero and copy the actions to the song!

Koo Koo Kanga Roo - Superheroes Unite (Dance-A-Long)

Become a gardener!

Water the plants and trees, dig up the soil, and help to collect the leaves. Collect the leaves from your garden - what other plants can you find? You could even plant an acorn or some seeds!

Zoo Keeper - Phonics Game!

Play the phonics game and match the animal sound to the animal!

Welcome To The Zoo

Animal Bingo - Who is at the zoo?

PHONICS PLAY

Maths Games!

Top Marks is a useful website for Maths games! We will be practising making patters, counting and ordering numbers, representing numbers, and exploring shapes. Have a go at some of the games!

Ladybird Spots - Counting, Matching and Ordering game

Scan this on mobiles and tablets to quickly open this web page. Ladybird Spots includes counting, matching and ordering numbers games, which can help with learning to count and recognising the numbers and number words up to 10. Designed to offer differing levels of difficulty these fun games, all with a ladybird theme, give opportunities to: Count spots on a ladybird.
