

Friday 12.2.21

Made with a taste for adventure

SAM JAN 28, 2021 10:13AM

We are proud of you, Badgers!

I just want to take a moment to say how extremely proud I am of you all, Badgers. Not only am I proud of you but I am proud of you, your parents, your siblings and everyone else that you may live with. This road is by no means an easy one, we all seem to be living these unusual times together, but you are working so hard, helping around the house and going above and beyond - Well done! Enjoy the half term break, keep safe and look after yourselves.

Maths - consolidation of addition and subtraction.

Watch the Sway video below and then have a go at working through the consolidation of addition and subtraction booklet as independently as you can, now that we have work on some different methods of working out and solving the calculations.

The final Friday maths

Created using Microsoft Sway

Action for Happiness

Monthly calendars with actions that you can take to help create a happier and kinder world

Monthly Action Calendars

Our monthly calendars are packed with actions you can take to help create a happier and kinder world. Click a calendar below to download - you can find other language versions there too!

Friendly February 2021 February 2021: Daily actions to help you connect with others and spread kindness .

ACTION FOR HAPPINESS

Blob Opera

You may or may not thank me for this but I think that this is really great. The pupils love this (and so do the staff). This is an opportunity, while having some fun, to explore pitch and volume. Enjoy!

Blob Opera - Google Arts & Culture

Create your own opera inspired song with Blob Opera - no music skills required ! A machine learning experiment by David Li in collaboration with Google Art...

GOOGLE ARTS & CULTURE

Daily Warm up song with playdough

Let's start they day by getting by getting our hands warmed up for the day ahead.

If you don't have access to playdough then treat yourself to the warm up song also attached below

Phonics

Please find attached on your Discovery Education page your differentiated phonics activities for today. These are set to challenge you but to also have some fun while completing them.

Website:

Don't forget, there are a wealth of learning websites and ideas on our website too.

Chinese New Year

It's time to celebrate Chinese New Year. Enjoy reading through the PowerPoint below, watching a video attached to Discovery Education and I have attached you a colour by number for you to engage with. It may be that you will try some chinese food or find out more about what different food will be eaten or what gifts are exchanged?

Guidance for Video/Audio in PowerPoints

Please note the embedded audio may not be compatible with early versions of PowerPoint.

You may wish to delete this slide before beginning the presentation.

Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

Password - Badgers

School code - cjaw

ActiveLearn: Login

A digital learning space for your pupils and a toolkit for you, so that you can search, plan, allocate and assess all in one place.
