

Welcome to Springfield School! I am Sam - Foxes Class teacher.

My new school

A red-bordered box containing three pictograms. The first is a stick figure representing "My". The second is a sun with rays representing "new". The third is a stick figure standing next to a whiteboard inside a house-like shape representing "school". Below each pictogram is its corresponding word: "My", "new", and "school".

Here is our main reception and the hall. We have our PE sessions in the hall one day per week unless the weather is sunny, then we use our MUGA (Outdoor play ground).
