

# Friday 22.1.21

BADGERS1 NOV 18, 2020 08:27AM

## Introduction to today's activities

Click on the Sway video below to find out more about today.

Welcome to Friday!  
Created using Microsoft Sway  
SWAY

## How to use this Padlet

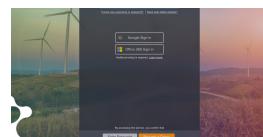

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

Please click on the attachment below to access your Discovery Education page.

Remember to click 'mark as complete' when you have finished. This allows me to see that you have been able to access each piece of work that has been set.

### Friday Song for Children

by Dream English Kids

YOUTUBE

## Sue's story time - Part 2.

Last week, our very own Sue read part 1 of our story. Today you get to enjoy the final part of the story this week.

Please enjoy this time to sit back and enjoy listening to and seeing Sue read the story on the Sway video below.

### Story time with Sue - Part 2

Created using Microsoft Sway

SWAY

## Our It's Friday song!

This is a short but sweet song that we enjoy on a Friday morning.

## Phonics

There on your Discovery Education, you should find a spelling challenge that focuses on your sound this week. Along with this sound, you'll find alternative graphemes (the written sound) that makes the same sound.

Extension - Can you think of or research other words that have your sounds in this week? Can you put these words into a sentence, both verbally and written?

## Maths - Statistics - Tally charts

Tally song starter -

<https://www.youtube.com/watch?v=tbXER6bLyu4>

On your Discovery Education page you will find your maths activity called, 'Counting Fruit'.

You will also find a PowerPoint that begins to explore Pictograms and how we can read data on them.

Watch the Sway video attached below where I will explain

today's activity.

### Pick-A-Stick Chore Jar

Pick-A-Stick Chore Jar has been getting a lot of use at our house this summer and I thought your family might enjoy "playing" it too. As the school year was wrapping up and my husband was getting ready to spend a month in China, there was a lot of whining and arguing going on amongst our children.

THE CRAFTING CHICKS

### Website:

Don't forget, there are a wealth of learning websites and ideas on our website too.

PADLET DRIVE

### Choice time and helping around the house

During the afternoon, maybe you could work with your adult to create a 'chore jar'?

I have heard that you are working hard at helping around the house with some jobs. JUST REMEMBER TO KEEP SAFE!

You don't have to use lolly pop sticks. Have a look around your house at what you could use instead. Could you decorate and jazz up your chore jar?

### Maths - Numbots

How are you getting on with your Numbots challenges? Have you managed to choose your robot avatar? How many points/coins have you managed to collect? Enjoy - this is a lovely activity to spend 20 minutes with each afternoon to develop your understanding of number, addition and subtraction.

#### Numbots Game

NUMBOTS

### Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

Password - Badgers

School code - cjaw

#### ActiveLearn: Login

A digital learning space for your pupils and a toolkit for you, so that you can search, plan, allocate and assess all in one place.
