

Friday 29.1.21

Made with a taste for adventure

SAM JAN 28, 2021 10:13AM

How to use this Padlet

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

Please click on the attachment below to access your Discovery Education page.

Remember to click 'mark as complete' when you have finished.

This allows me to see that you have been able to access each piece of work that has been set.

Phonics

For your phonics today, you will find that you are either continuing to work on the phonics booklets that you have had this week or you will find tricky/high frequency word mats attached to your Discovery Education page. Use these to read through the words, put some of these words into sentences and have a go at spelling some of the words too. This can be done by your adult reading some of them out and you having a go at spelling them.

If you have been focusing on a sound this week then have a go at finding items around your house that uses your sound in its name.

Daily Warm up song with playdough

Let's start they day by getting by getting our hands warmed up for the day ahead.

If you don't have access to playdough then treat yourself to the warm up song also attached below.

Maths - Consolidation of statistics

Today you will find, on your Discovery Education page, some consolidation questions on the work we have been doing on statistics. These will cover tally charts, block charts and bar charts.

Choice and chores

It's Friday once again and this means afternoon choice time for our hard working hard this week. Well done, Badgers!

As always, this may be an opportunity for you to earn those extra starts, points or rewards for helping out where you can.

Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

Password - Badgers

School code - cjaw
