Goldilocks and the Three Bears

Sensory Story

If you gather up some props and pop them in a box you will be able to revisit this story each day.

Playdough

Have you already got some playdough? If not have a go at making some - it will last a while in a sealed container.

Play together for 10 minutes or more - squeeze, roll, pat it, make balls, sausages etc.

I never put cream of tartar in anymore, as I either can't find it in the shop or I forget!

Best Ever No-Cook Play Dough Recipe

1. 2 cups plain flour (all purpose)
2. 2 tablespoons vegetable oil (baby oil and coconut oil work too)
3. 1/2 cup salt.
4. 2 tablespoons cream of tartar.
5. 1 to 1.5 cups boiling water (adding in increments until it feels just right)
6. gel food colouring (optional)

Fine Motor Skills

Threading this week.

Do you have some string / ribbon?
and some card?

Could you create a teddy bear shape (maybe just it's head?) and punch holes around the edge to weave the string in and out of?

Afternoon Activity

Today we will be exploring the props for our sensory story.

Story Box Resources

- doll / girl figure, 3 bears, 3 bowls 3 chairs / cushions
- 3 beds / materials for beds (e.g. silver blanket, faux fur blanket fleece blanket)
- Bags / tubs of porridge to feel / shake.

Mark Making

Squiggle Time - find any pens / pencils and scrap paper - encourage your child to make marks with the writing tools. Model this for them, they may join in when they see you doing it. Consider where you do this, some children like lying on their tummies, sitting on the floor or sitting at a table.
Monday - focus on Drawing lines in different directions.

Maths Skills

Numberblocks is a great way to learn about numbers. You could watch an episode.
How many?

Point to the picture that has 1,2 or 3.

If you have access to a printer (I know not many people do) you could print the file on here.
