

Squirrels Class - Thursday 28th January

'Once Upon a Time' - Goldilocks and the Three Bears

LUCIE JAN 22, 2021 01:33PM

Squirrels Class

Dear families,

Here is an overview of our learning for today. As a guide, at school our timetable would look like this:

- Phonics or Spellings
- English
- Snack and Playtime
- Maths
- Well-being
- Dinner and Playtime
- Keeping Safe
- SMSC
- Snack
- Reading

Of course, you can approach this however you like alongside your life at home.

Please let me know if you have any questions or concerns!

Email: squirrels@springfield.staffs.sch.uk

Phonics - Phase 3 Group 1

1. Practise naming the letters of the alphabet by singing the alphabet song.
2. Introduce the sound 'igh' by watching the video.
3. Practise writing the sound 'igh'.
4. Practise writing some words with 'igh' in them, e.g. night, sight, fight, light, high, thigh.

Spellings

Practise writing your spellings in different ways each day (look, cover, write, say).

You could use a tablet/laptop, trace in sand, shaving foam, use paint, pens, crayons, magnetic letters, letters cut from newspapers, etc.

Our spellings this week are:

great
break
steak
busy
people

English

Explore the listening activities on the link below.

<https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-when-goldilocks-went-to-the-house-of-the-bears/zbkrf4j>

Challenge - Think of some actions and join in the rhymes.

When Goldilocks went to the house of the bears

An animated version of the popular children's nursery rhyme 'When Goldilocks went to the house of the bears' with lyrics.

Maths

Today we are thinking about different ways to represent numbers.

Use the online resource to represent numbers to 10, 20 or 50.

You can use a stick to represent 'tens', and then add the 'ones'. For example, 17 would be a ten stick and seven ones.

Number Pieces by The Math Learning Center

Number Pieces helps students develop a deeper understanding of place value while building their computation skills with multi-digit numbers. Students can:

Use number pieces to represent multi-digit numbers, regroup, add, subtract, multiply, and divide. Use edge pieces to display the dimensions of arrays created with number pieces.

MATHLEARNINGCENTER

SMSC

We will think about 'stranger danger' in relation to the story, and in our own lives. We will think about who is a safe 'stranger' - (someone who could help us) and who is an unsafe stranger (someone who we wouldn't talk to on our own).

SMSC Thursday

Numbots

Numbots is another online resource we now have access to. Scrolling to the left on 'challenges' goes to Level 1, which is the first level.

I have emailed your username and passwords out. Please let me know if you have any problems logging in.

Numbots Game

NUMBOTS

Keeping Safe

Practise washing your hands to keep those germs away!

Bug Club Reading Books

Here is the link to Bug Club online reading books. The children are assigned ebooks to their book band level.

information about the time or place the book was written or sometimes information about the author or illustrator.

Inside back cover: these notes suggest puzzles and challenges that help children think about their reading. These include 'Find It!' activities that encourage children to revisit the text; 'Share It!' tasks that may involve making or writing something; and other tasks that offer ideas for further reading.

Using the online reading world

If you have access to an internet connection, your child can enjoy reading Bug Club books online as well as in print. Each child has a unique homepage, and can log into it by following these steps:

1. Go to www.activelearnprimary.co.uk
2. Enter the login details.
3. Your child's homepage will appear.

Discovery Education

Here are the instructions for Discovery Education. There will be activities set on here to do alongside these activities. Please let me know if you have any problems logging in.

needs by providing them with tasks that are specifically for them rather than the class or group.

Teachers will be setting work using the platform. They will be able to monitor the completion of tasks and also see how children have performed in activities, enabling them to adapt and change tasks for the children.

Your child's teacher will email you the user name and pass word for your child. Below are instructions for logging on and setting up your child at home. It can be accessed on any device.

1. Go to google on your internet browser
