## How to use this Padlet

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

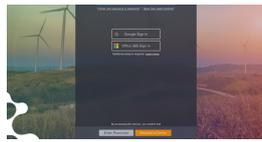

Please click on the attachment below to access your Discovery Education page.

Remember to click 'mark as complete' when you have finished. This allows me to see that you have been able to access each piece of work that has been set.

## Phonics

Your phonics has been set up for you to access via Discovery Education. You will find that you are focusing on two different sounds this week because you are working so hard on one sound per week. Have a go at verbalising and writing words that have these sounds in. Maybe you could verbalise a sentence to your adult using these words?

## Website:

Don't forget, there are a wealth of learning websites and ideas on our website too.

## English - Handwriting

Song starter - <https://www.bbc.co.uk/teach/supermovers/ks1-english-capital-letters-full-stops/zjmrhbk>

This week we have been working on developing our handwriting further. It might be that you have been working on letter formation or writing on the line. It might be that you need to remember to use your finger spaces? To finish our week on handwriting, I have set you a task to talk about and write about one of the experiences you have had at home. Maybe you have been helping with jobs or have been on a woodland walk? I have also attached symbols if these help with building sentences? If you do not have access to a printer then you could use resources that you may have at home?

Over the last couple of days we have been working on our handwriting skills and further developing, keeping our letters on the line, remembering finger spaces and forming each letter correctly.

Today I would like you to write about a favourite moment of your time at home so far. Can you use some exciting words to describe an activity you have done? You can even draw a picture of one of your experiences.

My picture of a home activity...

## Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

Password - Badgers

School code - cjaw

### ActiveLearn: Login

A digital learning space for your pupils and a toolkit for you, so that you can search, plan, allocate and assess all in one place.

## P.E

I have chosen an 'Animal Moves' exercise card for you to explore.

This ties in nicely with our very familiar warm up song -

<https://www.youtube.com/watch?v=MugzDjGDYjo>

I am also attaching the link for the Youth Sports Trust - Primary

PE Activities. There are lots of different exercise activity cards

for you to choose from on there -

<https://www.youthsporttrust.org/primary-pe-activities>

A diagram for an 'Animal Moves' exercise card. It features three circular icons at the top: a red circle with a person icon, a yellow circle with a trophy icon, and a green circle with a person icon. Below these are three text boxes: 'On your own, could you try becoming an elephant and move slowly with big heavy steps?', 'With another person, create two movements to show what happens when your two animals meet.', and 'Can you include high and low movements as well as a change of direction in your sequence?'. A large blue arrow points from the 'Top Tips' box to the 'Let's Reflect' box. The 'Top Tips' box contains the text 'Get in to character' and a bullet point: 'How would your animal move? What things would be in their natural habitat? Are they big and scary or small and sweet?'. The 'Let's Reflect' box contains the text 'Did you move staying in character as your animal?' and 'Could you imagine your animal moving through forests or water, over hills or under logs?'. At the bottom right are logos for 'Complete P.E.' and 'YOUTH SPORT TRUST'.
