

Tuesday - The Gingerbread Man

Tuesday 19th January - Theme: Once upon a time

DWALTERS27 JAN 07, 2021 10:34AM

Tuesday

Good morning! Here are your suggested home learning activities for today. We are continuing with our story: The Gingerbread Man. If you complete any of these activities please send us photos of the fun you're having together!

Tuesday's routine

1. Get outside for some fresh air, complete some of our daily mile.
2. Rhyme Time
3. Reading
4. Daily Exercise
5. Afternoon activity - play-dough
6. Fine Motor Activity
7. Mark Making
8. Relaxation time

The Rhyme for this week

This week, we are continuing to learn Row, Row, Row your Boat. For your props at home, you could use an empty container on a bowl of water (for example).

Daily Rhymes to practice each day

Last week we introduced The Wheels on the Bus. We will carry on with this again this week.

How's the weather today?

This week, we are beginning to explore the weather. Make yourself familiar with the weather songs on the power point (each picture has a different song that should play if you click on it). Have a look outside of your window, or you could do this after your daily mile, and click on the picture that you think the weather is like today. Try learning these new songs too!

How's the weather today?

PADLET DRIVE

Mark making

What tools have you got at home to colour in with? Have you got any colouring-in books, or can anyone draw you some simple pictures to colour in? Try colouring-in by exploring gripping different tools such as pencil crayons, wax crayons, chalks, chubby pens, etc.

Afternoon activity

Have you got any gingerbread that you can taste at home? If not, then don't worry! Are there any foods that you can try at home that are new to you? You could try to taste something new, or you could even explore the smell or feel of some new foods while you're at home. Please send in photos of these!

Reading - Our class story

This week, we will be continuing to introduce the story 'The Gingerbread Man'. I have attached a version of the story as a document so that you can share the story together.

Animated version

I have attached the animated version of The Gingerbread Man, for you to watch and listen to again, that we will be focusing on this week.

Fine motor skills

Have you got any empty boxes, tubs or tubes at home that you can cut a small hole into? This can then be used to post small objects into such as pom-poms, bits of scrunched up paper, cotton wool buds, etc. You could even use cooking tongues to pinch the object and pick it up!

Relaxation/ Mindfulness

It's relaxation time. Put on some calming music and sit or lie down somewhere comfortable, get your teddy bears, cushions, blankets, etc and relax. Maybe a cuddle or a tickle on your back might help you to sit still for a minute or two?

Daily exercise

Cosmic super yoga is a great way to warm up and cool down when exercising! Have a go at the Dinosaur Disco cosmic super yoga and send lots of photos of your stretches.

Once you're all stretched out, have a play outside and see what exercise moves you can create - there are lots of things to try like jumping, hopping, star-jumping, etc. Which one is your favourite?

SUPER YOGA! | Dinosaur Disco - Cosmic Kids

A 5 minute fast-paced yoga-based workout for kids. Get the wiggles out and build your knowledge of all the kids yoga poses - for home, the classroom and parties! * A fun challenge for memory, coordination and information processing.*
