

# Badgers Class Weekly Blog

Week Commencing: 12th September 2022

Day	What we have done today
<b>Monday</b>	<p>Welcome to Foxes class!</p> <p>Our week started with some of us going on the Beatrice boat—we had a great time and everyone else is looking forward to going over the coming weeks.</p> <p>Some of us explored our new story—Stig of the Dump, in English.</p> <p>Our work in maths is place value and we used manipulatives to represent numbers.</p> <p>The afternoon saw us settle into our PE lesson.</p>
<b>Tuesday</b>	<p>Continuing with our story and working on inference - what do we think will happen in the story with what we know so far or what we have seen.</p> <p>During the afternoon, we enjoyed taking part in the Roald Dahl Day! We listened to some 'revolting rhymes' and then baked some 'revolting cakes'.</p>
<b>Wednesday</b>	<p>Today we described our main character—Stig. We thought about exciting adjectives to describe his looks, personality, smell...</p> <p>In maths we drew pictorial representations of number with thousands, hundreds, tens and ones.</p> <p>What a fantastic afternoon we had. We really enjoyed our Stone Age WOW afternoon during a forestry school afternoon. We made dens, pencils, went on a bug hunt and painted with mushed up fruit.</p>
<b>Thursday</b>	<p>An introduction to the Stone Age. We spoke about what we know already and wrote facts about the Stone Age to begin our topic.</p> <p>After break, we took a walk to the local monument to pay our respects to the Queen. We all lay a flower. During the afternoon, we spoke about Inheritance in science - what are the characteristics that we inherit.</p>
<b>Friday</b>	<p>Some of us enjoyed going on the Beatrice today to finish the week and we all took part in our weekly spelling 'challenge'. We engaged in art and used the tables as cave to paint 'cave' paintings.</p> <p>During the afternoon, we enjoyed choice time, after a fantastic week in school!</p>
