How to use this Padlet

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

Please click on the attachment below to access your Discovery Education page.

Remember to click 'mark as complete' when you have finished. This allows me to see that you have been able to access each piece of work that has been set.

Does your school/district access Discovery Education from a custom URL? Enter your district's custom URL to sign in using Single Sign On (SSO).

DISCOVERYEDUCATION

English - Our fact file plan

Today is very exciting. I would like you to watch the Sway video below where I attempt to show you how we are going to complete today's lesson. We are working on non-chronological reports - fact files. Today, I would like you to develop a fact file plan (conduct your research). There is a QR code for you to scan which will direct you to a facts about penguins website but I have also attached symbols to support you. On Thursday, we will complete our own fact files on penguins.

RESPECT - Cooking

This afternoon, we are baking. We are going to make fairy cakes. In doing this, we are learning and consolidating lots of skills - measuring, hygiene, safety, helping, working as a team, following instructions...

If you are unable to access cooking then could you work together on another task that supports helping and working together at home.

It would be great to see your pictures of your activities at home.

Fairy cakes

This easy peasy fairy cakes recipe is perfect for baking with children. Decorate with a little drizzly icing and plenty of sprinkles, or go for the full butterfly effect. Preheat the oven to 180C/350F/Gas 4 and line 2 x 12-hole fairy cake tins with paper cases.

BBC FOOD

Website:

Don't forget, there are a wealth of learning websites and ideas on our website too.

PADLET DRIVE

Phonics

Your phonics has been set up for you to access via Discovery Education. Can you find items around your house that begin with this initial sound that you are working on this week?

Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.
