

Friday 15.1.21

SAM APR 06, 2020 01:09PM

How to use this Padlet

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

Please click on the attachment below to access your Discovery Education page.

Remember to click 'mark as complete' when you have finished. This allows me to see that you have been able to access each piece of work that has been set.

Phonics

Please find your weekly phonics attached in your Discovery Education page. It's Friday, so we are focusing on the spellings using our sound from this week and alternative spellings (using different graphemes but the same sound).

Maths - Spectacular Symmetry

Please start by watching the song attached - <https://www.youtube.com/watch?v=SJlhywRfvh8&safe=active>
Working with your adult, work through the PowerPoint presentation below and discuss if the items on the screen are symmetrical or not. Can you think of where we might see symmetry around us (maybe a butterfly). You could have a go at symmetry painting or drawing - please click on the link. <https://artfulparent.com/butterfly-symmetry-paintings/>

You will also find a shape symmetry activity attached to your Discovery Education page.

running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

Password - Badgers

School code - cjaw

ActiveLearn: Login

A digital learning space for your pupils and a toolkit for you, so that you can search, plan, allocate and assess all in one place.
