## How to use this Padlet

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

Please click on the attachment below to access your Discovery Education page.

Once you have engaged with the activity then click 'mark as complete' when you have finished. This allows me to see that you have been able to access each piece of work that has been set.

## Daily timetable

I am attaching a daily timetable that you may or may not want to follow. This is at your discretion. It may help to support your throughout the day.

Attached is a provisional daily schedule for you to follow to offer some routine and predictability during the day. Our Badgers class members really thrive on the predictability during the day.

Please use this as you feel able. You may wish to us it as a daily 'tick list' to tick of daily tasks or to use it as a timetable for rigidity. Either way, I hope that it offers a flow throughout the day.

PADLET DRIVE

Now that we have worked on different synonyms for 'sad' and 'happy', I would like you to developing your own sentences to inform your reader about the beginning and end to the story, 'Be Brave Little Penguin'.

Please watch the video below where I will introduce the beginning of this lesson.

You will then be directed to your Discovery Education page for your worksheet.

### Be Brave Little Penguin - Story Retell

I am not reading the story today but you can find the story on YouTube. Please watch the video to get directions for today's English.

SWAY

## Reading morning

Please refer to you Bug Club account or your school reading book to focus on reading this morning. You may have read through your book a few times now but can you discuss the pictures, can you identify what is going on in the story and are you identifying all of the words independently and with ease?

## Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

## Phonics

Please find your weekly phonics attached in your Discovery Education page.

Your activity today is as a work sheet but you will be able to access this by using your computer screen. Can you point to all of the words that use the sound that you are focusing on today?

## P.E

Thursday afternoon is always our afternoon for P.E and exercise. You will know what you can access at home better than I can, so if you are able, and the weather is fine, maybe you could go on a bike ride, a family nature walk or take part in some of the attachments on here to get our body moving.

I hope that you have lots of fun - I know that I love getting outside when I can.

It may be that your Badgers responds well to 'Cosmic Kids Yoga' or Joe Wicks?
