How to use this Padlet

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

Please click on the attachment below to access your Discovery Education page.

Once you have engaged with the activity then click 'mark as complete' when you have finished. This allows me to see that you have been able to access each piece of work that has been set.

Does your school/district access Discovery Education from a custom URL? Enter your district's custom URL to sign in using Single Sign On (SSO).

DISCOVERYEDUCATION

Thank you.

I would like to take this opportunity to thank you all for your patience and support during this time, once again.

Hopefully, given that we are becoming adept to this new form of learning, it won't be too complex for us to 'get our heads' around.

It is our legal duty to ensure that work is set and sent to you each morning, and I will try my utmost to make this as appropriate as I possibly can, on the understanding that learning is now going to be set online and you know what resources you have access to at home. You have, however, informed me that you have access to the internet and a device to access learning, whatever this may look like (a computer, laptop or tablet). If this changes then please do get in touch.

English task

Once you have listened to and engaged with the story please find attached, in your Discovery Education page, your overwriting activity that talks about Little Penguin being brave.

Maths task

Please begin by watching the 2D shape song attached below. We are focusing on recognising and identifying different 2D shapes. Think about the shapes that we can see around us. I have attached an activity to your Discovery Education page for you to complete. If you do not have access to a printer then please engage with the game attached to the other padlet slide.

Shapes song for kids | The Singing Walrus

YOUTUBE

Maths online activity

2D shape game.

Shape Monsters - 2D Shapes Matching Game

Play Game Shape Monsters is a fun, interactive 2D shapes game where children need to identify and match circles, rectangles, squares and triangles. Each Shape Monster only 'eats' shapes which match its own body shape. When a child correctly selects a shape, that Shape Monster audibly reinforces the name of the shape.

TOPMARKS

Daily timetable

I am attaching a daily timetable that you may or may not want to follow. This is at your discretion. It may help to support your throughout the day.

Attached is a provisional daily schedule for you to follow to offer some routine and predictability during the day. Our Badgers class members really thrive on the predictability during the day.

Please use this as you feel able. You may wish to use it as a daily 'tick list' to tick off daily tasks or to use it as a timetable for rigidity. Either way, I hope that it offers a flow throughout the day.

PADLET DRIVE

Discovery Education

If your Badgers member isn't keen on accessing work then suggesting that you are going to watch the Daily News may be a 'way in'. We all enjoy watching the Daily News each morning. You can find this by typing it into the search bar, once you have accessed your page.

Website:

Don't forget, there are a wealth of learning websites and ideas on our website too.

PADLET DRIVE

Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

Password - Badgers

School code - cjaw

ActiveLearn: Login

A digital learning space for your pupils and a toolkit for you, so that you can search, plan, allocate and assess all in one place.

ACTIVELEARNPRIMARY

English - Be Brave Little Penguin.

Attached is our focus story for the next couple of weeks. Please use this as a reference to our work and begin by listening to the story

Kids Books Read Aloud: BE BRAVE, LITTLE PENGUIN by Giles Andreae Illustrated by Guy Parker-Rees

Phonics

Please find your weekly phonics attached in your Discovery Education page. This will be a video to watch, based on this week's sound, followed by an activity to complete, such as blending or segmenting words.
