How to use this Padlet

Each day, your daily activities will be sent out on here as a timetable, including a brief description of that activity for that subject.

For the majority, you will then be directed to your Discovery Education page to find videos, notes and the set activity for you to complete at your Badgers differentiated level.

Please click on the attachment below to access your Discovery Education page.

Remember to click 'mark as complete' when you have finished. This allows me to see that you have been able to access each piece of work that has been set.

Daily timetable

I am attaching a daily timetable that you may or may not want to follow. This is at your discretion. It may help to support your throughout the day.

Attached is a provisional daily schedule for you to follow to offer some routine and predictability during the day. Our Badgers class members really thrive on the predictability during the day.

Please use this as you feel able. You may wish to use it as a daily 'tick list' to tick off daily tasks or to use it as a timetable for rigidity. Either way, I hope that it offers a flow throughout the day.

PADLET DRIVE

Reading - Bug Club

We have been able to set up our reading books online. I have allocated books to each of your profiles. This is a fantastic resource where you read the exact books that you would read in school, set at your phonics level, but on the computer/tablet screen.

If you find that you have books without words, then this is an opportunity for you to explore the pages of the books by finding different items (for example, where is the red balloon and then verbalise these nouns, adjectives and verbs - I can see the girl running...).

Once these books are completed, the website will/should automatically progress through to another book or you can choose one?

I will send you your username via an email but below is the password and school code.

Password - Badgers

School code - cjaw

ActiveLearn: Login

A digital learning space for your pupils and a toolkit for you, so that you can search, plan, allocate and assess all in one place.

ACTIVELEARNPRIMARY

Discovery Education

If your Badgers member isn't keen on accessing work then suggesting that you are going to watch the Daily News may be a 'way in'. We all enjoy watching the Daily News each morning. You can find this by typing it into the search bar, once you have accessed you page.

Phonics

Please find your weekly phonics attached in your Discovery Education page. This will be a video to watch, based on this week's sound, followed by an activity to complete, such as blending or segmenting words.

English task

Now that you have explored the book and found out more about our main character.

See the attachment below and match the symbols to parts of the front cover.

Encourage verbalising as you match each symbol.

Can you have a chat about how Little Pip-Pip may be feeling and overwrite some feelings words?

English - Be Brave Little Penguin.

Attached is our focus story for the next couple of weeks. Please us this as a reference to our work and begin by listening to the story.

Kids Books Read Aloud: BE BRAVE, LITTLE PENGUIN by Giles Andreae Illustrated by Guy Parker-Rees

Topic - Poles Apart

This week, we are discussing and exploring the atlas and the seven continents and oceans.

To begin, please watch the attached video below. This is a great song that tells us about the seven continents.

You will find a PowerPoint presentation on your Discovery Education page, along with an activity to complete, that allows you to learn more about the continents of the world.
