

Blackbirds Class Monday 11th January 2021

Topic- Contrasting Countries

CJERVIS1 JAN 10, 2021 01:39PM

Keeping healthy around COVID-19: We do this in school 1.15-1.30pm

Remember right now it is so important that we keep clean and stay healthy both in and out of school. Can you learn the 'Hands, face, space' song?

'Hands Face Space' song by Hillingdon Children's Centres

Phonics: We do this in school from 1.30 to 2pm Reading : We do this in school between 9.00 and 9.30

Link for Oxford Owl. Here you can access Oxford Reading Tree books for free - the link is below.

<https://home.oxfordowl.co.uk/books/free-ebooks/>

I have set your child phonics tasks through their Experience account, for those that have spellings, please also see your child's Experience account.

<https://app.discoveryeducation.co.uk>

I have also assigned your child some reading books on our new Bug Club reading site. You can access your child's account using the log on information sent by email. Please let me know when you would like more books assigning as many of you need to read your books more than once.

<https://www.activelearnprimary.co.uk/start>

information about the time or place the book was written or sometimes information about the author or illustrator.

Inside back cover: these notes suggest puzzles and challenges that help children think about their reading. These include 'Find it!' activities that encourage children to revisit the text; 'Share it!' tasks that may involve making or writing something; and other tasks that offer ideas for further reading.

Using the online reading world

If you have access to an internet connection, your child can enjoy reading Bug Club books online as well as in print. Each child has a unique homepage, and can log into it by following these steps:

1. Go to www.activelearnprimary.co.uk
2. Enter the login details.
3. Your child's homepage will appear.

PADLET DRIVE

Maths: We do this in school from 11 to 11.50am

Today we are beginning a data handling topic - please don't worry. It's not as scary as it sounds!

I've attached some data handling/graph work activities. Have a look to see which ones are suitable for your child.

Here is a teaching video from Oak Academy.

<https://nrich.maths.org/9032>

Handling Data KS1

These KS1 tasks introduce the skills of collecting data systematically and using it to answer questions.

MATHS

Topic: We do this in school at 1.30- 2.30pm

Today we are continuing our topic - Contrasting Countries.

We are going to continue learning about the United Kingdom this week. Last week we learned about the countries of the UK, where the sea was and what each flag looked like. Today we are going to think about the climate in the UK.

<https://www.twinkl.co.uk/resource/t-t-10437-seasons-what->

Geography KS1/KS2: The seasons

This video supports pupils in learning about the four seasons of the year, about weather and climate in each season and how this impacts on animal and plant life. It can also be used to prompt pupils to think about agriculture and food production and how these are affected by the seasons.

BBC CLASS CLIPS VIDEO

Website:

Don't forget, there are a wealth of learning websites and ideas on our website too.

<https://www.springfield.staffs.sch.uk/information/home-learning>

English: We do this in school from 9.35 to 10.15

This half-term we are learning about Poetry. I hope you had fun last week with concrete poetry and calligrams.

Today we are looking at rhyme and I have attached a teaching video from Oak Academy which will tell you what you need to do. Don't forget you can pause the video at anytime! Just copy and paste this link in to your browser.

When visiting our website, click "Login" from the top-right of the page and select Espresso to enter the above credentials.

Here is your seasons worksheet.

Seasons Wheel

Make your own Season Wheel by following the instructions:

1. For each season, draw a picture of the weather.
2. If you can, think of an event that happens in each season. It could be a celebration, a holiday or an important occasion, like a birthday. Add it to your wheel.
3. Add small arrows to your wheel to show which way the seasons go.
4. Carefully cut out your wheel.

PADLET DRIVE

Hello Blackbirds class! Welcome to another week of fun learning! Just remember to do what you can and get in touch if you need any help. We would love to see some photographs of you and your work or just drop us an email to let us know how you are doing

We would love you to have a go at all tasks, but just do what you can. Remember I have personalised all learning tasks so they are right for you and put them into Experience, (I have sent your parents the user and log ins) so log and and have fun! Just remember to mark as completed when you have finished!

KS2 Data handling

Handling data - KS2 Maths - BBC Bitesize

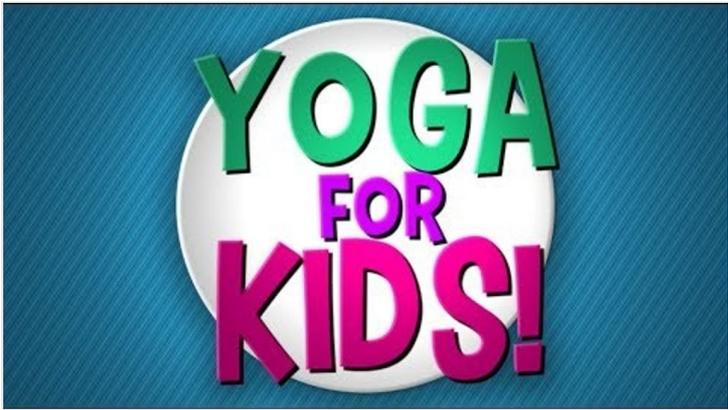

KS2 Maths Handling data learning resources for adults, children, parents and teachers.

BBC BITESIZE

Wellbeing: We do this in school everyday

1. Lie on the floor or sit somewhere comfortable. Squeeze the muscles in each part of your body and then let them go on an outward breath. Then check over your body to see if any muscles are still tight.
2. Listen to your favourite music and sing and dance!
3. Try some yoga - see if you can improve your balance, flexibility and strength.
