Goldilocks and the Three Bears

Sensory Story

If you gather up some props and pop them in a box you will be able to revisit this story each day.

Mark Making

Squiggle Time - find any pens / pencils and scrap paper - encourage your child to make marks with the writing tools. Model this for them, they may join in when they see you doing it. Consider where you do this, some children like lying on their tummies, sitting on the floor or sitting at a table. Monday - focus on Drawing lines in different directions.

Fine Motor Skills

Someone has come along and tied up the figures. Can you use your fingers to undo the bows?

(Loose bow with string or ribbon on familiar toys)

Playdough

Have you already got some playdough? If not have a go at making some - it will last a while in a sealed container.

Play together for 10 minutes or more - squeeze, roll, pat it, make balls, sausages etc.

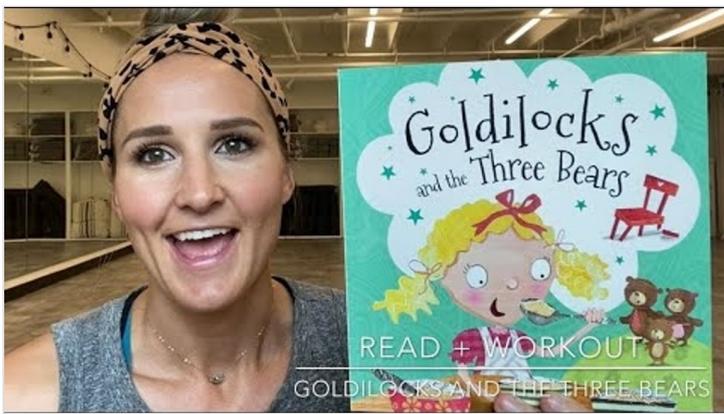

I never put cream of tartar in anymore, as I either can't find it in the shop or I forget!

Best Ever No-Cook Play Dough Recipe

1. 2 cups plain flour (all purpose)
2. 2 tablespoons vegetable oil (baby oil and coconut oil work too)
3. 1/2 cup salt.
4. 2 tablespoons cream of tartar.
5. 1 to 1.5 cups boiling water (adding in increments until it feels just right)
6. gel food colouring (optional)

Exercise Time

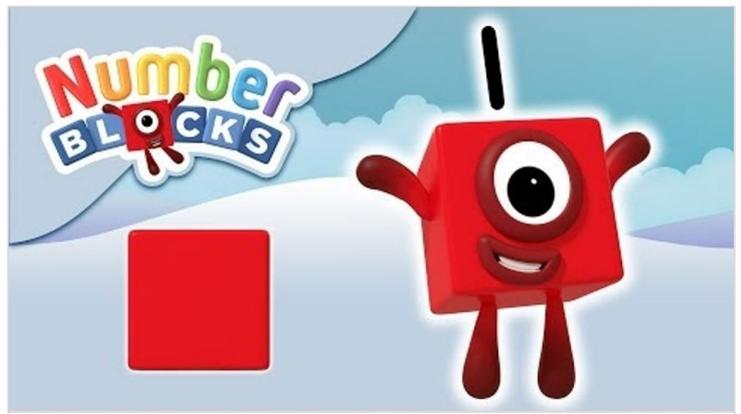

Can you join in with some bits?

Afternoon Activity

Making patterns. In school we will be using compare bears. Try this online game to complete the pattern.

Shape Patterns

Play Game Shape Patterns is a sequencing game where you need to complete the pattern of different coloured 2D shapes. It is a multiple choice game with three levels of difficulty. It is excellent for shape recognition and for problem solving.

TOPMARKS

Maths Skills

All about 1. Show one finger. Find one, from your toys.

Music Time

Have you got instruments at home? Don't worry if not, play body percussion!

Put on your favourite songs and have a dance, play your instruments to the music. Let me know your favourite songs to dance to!
