## Playdough

Have you already got some playdough? If not have a go at making some - it will last a while in a sealed container.

**Play together for 10 minutes or more - squeeze, roll, pat it, make balls, sausages etc.**

*I never put cream of tartar in anymore, as I either can't find it in the shop or I forget!*

### Best Ever No-Cook Play Dough Recipe

1. 2 cups plain flour (all purpose)
2. 2 tablespoons vegetable oil (baby oil and coconut oil work too)
3. 1/2 cup salt.
4. 2 tablespoons cream of tartar.
5. 1 to 1.5 cups boiling water (adding in increments until it feels just right)
6. gel food colouring (optional)

## Afternoon Activity

Investigate hot and cold items.

Write down the words hot and cold on a large piece of paper each. Hot in red letters, cold in blue letters. Have a variety of items to feel and sign hot or cold to. Then sort them into piles of hot and cold.

I will attach hot and cold signs into the padlet.

Suggested items:

Hot water bottle,

Frozen water bottle / Ice

Warm (not hot!) cup of tea

Item of cooked food

Ice lolly

## Mark Making

Thursday - focus on drawing wavy lines.

Squiggle Time - find any pens / pencils and scrap paper - encourage your child to make marks with the writing tools.

Model this for them, they may join in when they see you doing it.

Consider where you do this, some children like lying on their tummies, sitting on the floor or sitting at a table.

## Music Time

Have you got instruments at home? Don't worry if not, play body percussion!

Put on your favourite songs and have a dance, play your instruments to the music. Let me know your favourite songs to dance to!
