Playdough

Have you already got some playdough? If not have a go at making some - it will last a while in a sealed container.

Play together for 10 minutes or more - squeeze, roll, pat it, make balls, sausages etc.

I never put cream of tartar in anymore, as I either can't find it in the shop or I forget!

Best Ever No-Cook Play Dough Recipe

1. 2 cups plain flour (all purpose)
2. 2 tablespoons vegetable oil (baby oil and coconut oil work too)
3. 1/2 cup salt.
4. 2 tablespoons cream of tartar.
5. 1 to 1.5 cups boiling water (adding in increments until it feels just right)
6. gel food colouring (optional)

Afternoon Activity

Have you got porridge oats and milk? Have a go at making some yourself. How about trying it today? Is it yummy or yukky?!

Mark Making

Wednesday - focus on drawing zig zags.

Squiggle Time - find any pens / pencils and scrap paper - encourage your child to make marks with the writing tools.

Model this for them, they may join in when they see you doing it. Consider where you do this, some children like lying on their tummies, sitting on the floor or sitting at a table.
