**Keeping healthy around COVID-19: We do this in school 1.15-1.30pm**

Everyday for the rest of the week try and find some time to think about what you are grateful for. There are lots of things, activities and people we are missing so it's great to remember the good things we still have.

Below there are some resources but you can draw, write or talk about it if you prefer or don't have a printer.

**MOORLANDS PDIP BULLETIN**

ISSUE 1 15<sup>th</sup> January 2021

Happy New Year and welcome to the new Moorland's PDIP Bulletin which we are hoping will offer an up-to-date menu for schools; informing you of services, resources and useful links available in the Moorlands to yourselves and parents/carers.

**\*HELP DESK for all inclusion referrals\***

Mindful of the frequency of PDIP Meetings, we will be trialling a new concept - Moorlands Pre PDIP Help Desk will be available for all Inclusion Referrals

Shane and Reggie will offer initial advice and/or support either by phone or via Teams. The Help Desk will be available weekly on a Tuesday 9am to 11am. The purpose will be to discuss children and young people with submitted referral forms. The rationale of the Help Desk is to facilitate early engagement with the schools to offer potential solutions, a restorative practice or a focused whole family approach prior to the PDIP Meeting.

We would love you to have a go at all tasks, but just do what you can. Remember I have personalised all learning tasks so they are right for you and put them into Experience, (I have sent your parents the user and log ins) so log on and and have fun! Just remember to mark as completed when you have finished!

## Topic: We do this in school at 1.30- 2.30pm

Today we are continuing our topic - Contrasting Countries. In science we are going to look at some animals that live in New Zealand and some of their their habitats.

Can you research some different animals which are living wild in New Zealand? You could print or draw and label some.

You could also think about what their habitat is like and how they are adapted to it. I have attached some fact sheets so choose an animal and research it!

Here is a link to find out more.
