Playdough

Have you already got some playdough? If not have a go at making some - it will last a while in a sealed container.

Play together for 10 minutes or more - squeeze, roll, pat it, make balls, sausages etc.

I never put cream of tartar in anymore, as I either can't find it in the shop or I forget!

Best Ever No-Cook Play Dough Recipe

1. 2 cups plain flour (all purpose)
2. 2 tablespoons vegetable oil (baby oil and coconut oil work too)
3. 1/2 cup salt.
4. 2 tablespoons cream of tartar.
5. 1 to 1.5 cups boiling water (adding in increments until it feels just right)
6. gel food colouring (optional)

Exercise Time

Can you join in with some bits?

Mark Making

Wednesday - focus on drawing zig zags.
Squiggle Time - find any pens / pencils and scrap paper - encourage your child to make marks with the writing tools. Model this for them, they may join in when they see you doing it. Consider where you do this, some children like lying on their tummies, sitting on the floor or sitting at a table.

Afternoon Activity

Have you got porridge oats and milk? Jugs, bowls, small containers? Practise tipping and pouring from one container to another. Are the full or empty? Do you want to mix them together? Messy measuring play!

Fine Motor Skills

Threading this week.
Do you have some string / ribbon?
and some card?
Could you create a teddy bear shape (maybe just it's head?) and punch holes around the edge to weave the string in and out of?

Maths Skills

Counting song - use your fingers to count together.

Teddy Numbers

Teddy Numbers is an interactive counting game for young children. They can have fun learning to count up to 15 objects, through a simple drag and drop exercise. As well as reinforcing the concept of counting, Teddy Numbers helps children to recognise the digits from 1 to 15 and the also the words representing those numbers.
