

Squirrels Class - Tuesday 12th January

'Once Upon a Time' - The Gingerbread Man

LUCIE JAN 05, 2021 01:14PM

Squirrels Class

Dear families,

Here is an overview of our learning for today. As a guide, at school our timetable would look like this:

- Phonics or Spellings
- English
- Snack and Playtime
- Maths
- Well-being
- Dinner and Playtime
- Keeping Safe
- D&T
- Snack
- Reading

Of course, you can approach this however you like alongside your life at home.

Please let me know if you have any questions or concerns!

Email: squirrels@springfield.staffs.sch.uk

Phonics - Phase 3 Group 1

1. Practise naming the letters of the alphabet by singing the alphabet song.
2. Introduce the sound 'th' by watching the video.
3. Practise writing the sound 'th'.
4. Practise writing some words with 'th' in them: this, that, them, thin, path, bath, moth

YOUTUBE

1. Practise naming the letters of the alphabet by singing the alphabet song.
2. Introduce the sound 'oo' by watching the video.
3. Practise writing some words with 'oo' in them: boot, moon, soon, cook, tool
4. Practise writing a sentence:
My tools are in the boot.

Spellings

Practise writing your spellings in different ways each day (look, cover, write, say). You may need to use a tablet or computer to write them.

You could trace in sand, snow, use paint, pens, crayons, magnetic letters, letters cut from newspapers, etc.

Our spellings this week are:

child
wild
most
both
children

Wellbeing

Take some time to listen to a story about our current situation.

English

This week we are going to create our own story map for 'The Gingerbread Man'.

<https://classroom.thenational.academy/lessons/to-map-and-speak-the-story-ccrkar?activity=video&step=1>

This is a project that we will work on each morning Monday-Thursday. We will spend time listening, drawing, colouring and adding writing to our work.

Challenge - can you write any sentences on your story board?

PADLET DRIVE

Maths

Today we are continuing our work on number bonds to 10 or 20. We have done these lots at school so your child should be familiar with the concept of them, but may not be able to recall them yet.

Practise writing number bonds number sentences (sums) to 10 or 20.

Challenge - fill in missing number problems, e.g. $2 + ? = 10$

	$1 + 9$
	$2 + 8$
	$3 + 7$
	$4 + 6$
	$5 + 5$
	$6 + 4$
	$7 + 3$
	$8 + 2$
	$9 + 1$

Design and Technology

Design a boat to help the Gingerbread Man cross the river, thinking about what materials we will need.

What materials are waterproof? What materials float?

We will make our boats from junk modelling on Thursday.

Bug Club Reading Books

Here is the link to Bug Club online reading books. The children are assigned ebooks to their book band level.

Please let me know if you have any problems logging in.

A page from a Bug Club reading book. It contains text about the 'Inside back cover' and 'Using the online reading world'. It includes a list of steps to access the online reading world and a 'Login details' form with fields for School ID, Username, and Password. The page also features a small illustration of a hot air balloon and a tree.

information about the time or place the book was written or sometimes information about the author or illustrator.

Inside back cover: these notes suggest puzzles and challenges that help children think about their reading. These include 'Find it!' activities that encourage children to revisit the text; 'Share it!' tasks that may involve making or writing something; and other tasks that offer ideas for further reading.

Using the online reading world

If you have access to an internet connection, your child can enjoy reading Bug Club books online as well as in print. Each child has a unique homepage, and can log into it by following these steps:

1. Go to www.activelearnprimary.co.uk
2. Enter the login details.
3. Your child's homepage will appear.

Discovery Education

Here are the instructions for Discovery Education. There will be activities set on here to do alongside these activities. Please let me know if you have any problems logging in.

needs by providing them with tasks that are specifically for them rather than the class or group.

Teachers will be setting work using the platform. They will be able to monitor the completion of tasks and also see how children have performed in activities, enabling them to adapt and change tasks for the children.

Your child's teacher will email you the user name and pass word for your child. Below are instructions for logging on and setting up your child at home. It can be accessed on any device.

1. Go to google on your internet browser
