

# Blackbirds Class Wednesday 13th January 2021

Topic- Contrasting Countries

CJERVIS1 JAN 12, 2021 11:28AM

## Topic: We do this in school at 1.30- 2.30pm

Today we are continuing our topic - Contrasting Countries. In science we are going to look at some British animals, where they live and think about some simple food chains..

Can you name some different wild animals which are living in the UK. Draw and label some.

Learn some more about food chains on bitesize and see if you can work out a simple food chain.<https://www.bbc.co.uk/bitesize/topics/zbnnb9q/articles/zwbtxsg>

## English

Today we will continue with finding and using rhyming words. Remember that rhyming words sound the same at the end! I have assigned you rhyming activities on Discovery for the rest of the week. There is a link to a short teaching Sway video on rhyme below.

## Wellbeing: We do this in school when we need to help us to 'chill out' and focus.

For the rest of the week have a go at playing well being bingo.

## Wellbeing Bingo

Eaten something delicious.	Helped someone.	Done some exercise.	Said something nice/kind to someone.
Stayed Hydrated.	Watched a great film/T.V show.	Danced.	Drawn a picture.
Played a game with someone.	Treated myself to something nice.	Laughed till my cheeks hurt.	Read a good book.

## Keeping healthy around COVID-19: We do this in school 1.15-1.30pm

Remember right now it is so important that we keep clean and stay healthy both in and out of school. Attached are some resources to help us remember the rules. You can do this throughout.

Talk about, 'why am I at home?' and 'who is in my bubble at home and school?'

## **Maths: We do this in school from 11 to 11.50am**

Today we will continue with data handling. I have already assigned you graph work/data handling on Discovery.

Please also see your child's TT Rockstar account if they have one for addition multiplication and division practice, this is on your child's log on information that has been emailed.

<https://play.ttrockstars.com>

Watch the bitesize video about

data. <https://www.bbc.co.uk/bitesize/clips/zkf34wx>

Next you could collect your own data and fill it online - follow the link.

The password is Blackbirds2021

We would love you to have a go at all tasks, but just do what what you can. Remember I have personalised all learning tasks so they are right for you and put them into Experience, (I have sent your parents the user and log ins) so log and and have fun! Just remember to mark as completed when you have finished!
